Movies, or LMS, are a type of visual communication that uses animated images and sound to tell stories or teach people something. Most people look at movies (see) as a type of entertainment or a way to have fun. For some people, fun films can mean movies that make them laugh, while for others, it can mean movies that make them cry or be afraid. It is largely estimated that copyrights

are essential to promote cultural diversity and creativity. However, the park argues that contrary to dominant beliefs, imitation and copy do not limit creativity or cultural diversity, but support them further. This argument has been supported by many examples such as Millet and Van Gogh, Picasso, Manet and Monet, etc. Most movies are made so that they can be shown on the screen in cinemas and at home. Once the movies showed in cinemas for a period of a few weeks or months, they can be marketed through several other media. Watch movies online full movie No Time to Die (2021):
