

PIN1

The image shows a close-up of a dark grey sensor strip with several circular holes along the top edge. Below the holes, there are five square-shaped sensor elements. Each element has the text 'S4S Y30' printed on it. A red arrow points to the first sensor element from the left, which is labeled 'PIN1' in red text above it. The entire strip is labeled 'BMA400' in red text at the bottom.
